Update # 4

Mayor and Council Update
2023

September

PREVIOUSLY APPROVED ACTION ITEMS

June 2023 Action

- Name of the Foundation will be – The Awendaw Municipal Park Foundation
- The Awendaw Municipal Park Foundation (AMPF) will have a range of between 5-11 members appointed by Council and Mayor

July 2023 Action

- The AMPF Board of Directors will have the Mayor, one Council Member, and a staff person serving as ex-officio non-voting members of the AMPF Board. The mayor will serve by position and the Council Member and Staff Person will serve in one-year terms. Council Members and Staff may be reappointed indefinitely.
- Separation Agreement – The Town of Awendaw with a super majority vote of Mayor and Council can abolish the agreement with the AMPF at any time for any reason. A super majority will represent two-thirds of the total number of Council Members to include the Mayor. This would mean with a Mayor and 6 council members, a super majority would mean that there would need to be 5 members to obtain a super majority.
- A member of the AMPF Board of Directors will present to the Awendaw Mayor and Council, on a quarterly basis, a report of the Parks progress to include a financial report and a program and activity report.
