Subdivision
6658 Highway 17, TM# 661-00-00-246 (2.45 acres). Request preliminary subdivision approval of one lot. Zoned Residential
Owner / Applicant: Edgar T. Lofton

Jody explained the subdivision and that access to lot 1B-1 is currently thru Lot C. The surveyor has applied for a SCDOT curb cut so that access from the adjacent parcel will be terminated. Access to the new lot, 1B-2, will be from the existing 40’ROW dirt road. Staff recommends preliminary approval with a note to be added that states the Town and County are not responsible for maintenance of the dirt ROW. There was discussion about access and it was noted that since other parcels use the ROW this access is ok.
Motion to approve: Mr. Steed
